

Announcing the Dr. Suzanne K. Wedel Legacy Society at Boston MedFlight

The Dr. Suzanne K. Wedel Legacy Society honors those who provide support for Boston MedFlight in their wills, trusts, life income gifts, retirement plans, life insurance designations, and other planned gifts.

DR. SUZANNE K. WEDEL

Dr. Suzanne K. Wedel led Boston MedFlight as Chief Executive Officer and Medical Director for 27 years, from 1989 until her passing in 2016. Dr. Wedel was beloved and respected by her friends, colleagues, and individuals throughout the medical field and critical care transport industry. Known equally for her intelligence and medical expertise, Dr. Wedel was a driving force in developing best practices in critical care medicine.

Dr. Wedel's dedication to Boston MedFlight and our patients was unparalleled, as was her belief in the organization's past, present, and future. As a physician and leader, Dr. Wedel was selfless, loyal, and empathetic, exemplifying the practice of "compassionate care."

The Dr. Suzanne K. Wedel Legacy Society honors this abiding commitment to Boston MedFlight's mission. Thoughtful donors who have made provisions for Boston MedFlight in their estate plans demonstrate their own dedication to the organization's mission, its future, and the patients we care for every day.

"The establishment of The Dr. Suzanne K. Wedel Legacy Society is a wonderful tribute to Suzanne and her dedication to Boston MedFlight and the thousands of patients and families cared for by the organization during her 27 years as CEO and Medical Director. Our family is grateful to Boston MedFlight for honoring Suzanne's memory in this meaningful way."

— Alasdair K. Conn, MD, husband of the late Suzanne K. Wedel, MD, and Chief Emeritus of Emergency Services at Massachusetts General Hospital
